Cookie Policy

This Cookie Policy was last updated on August 22nd,, 2021 and applies to citizens of the European Economic Area.

1. Introduction

Our website, https://sdtsystems.eu (hereinafter: "the website") uses cookies and other related technologies (for convenience all technologies are referred to as "cookies"). Cookies are also placed by third parties we have engaged. In the document below we inform you about the use of cookies on our website.

2. What are cookies?

A cookie is a small simple file that is sent along with pages of this website and stored by your browser on the hard drive of your computer or another device. The information stored therein may be returned to our servers or to the servers of the relevant third parties during a subsequent visit.

3. What are scripts?

A script is a piece of program code that is used to make our website

function properly and interactively. This code is executed on our server or on your device.

4. What is a web beacon?

A web beacon (or a pixel tag) is a small, invisible piece of text or image on a website that is used to monitor traffic on a website. In order to do this, various data about you is stored using web beacons.

5. Cookies

5.1 Technical or functional cookies

Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. We may place these cookies without your consent.

5.2Analytical cookies

We use analytical cookies to optimize the website experience for our users. With these analytical cookies we get insights in the usage of our website. We ask your permission to place analytical cookies.

5.3Advertising cookies

On this website we use advertising cookies, enabling us to personalize the advertisements for you, and we (and third parties) gain insights into the campaign results. This happens based on a profile we create based on your click and surfing on and outside https://sdtsystems.eu. With these cookies you, as a website visitor are linked to a unique ID, so you do not see the same ad more than once for example.

5.4   Social media buttons

On our website we have included buttons for Facebook and Instagram to promote webpages (e.g. "like", "pin") or share (e.g. "tweet") on social networks like Facebook and Instagram.

These buttons work using pieces of code coming from Facebook and Instagram themselves.

This code places cookies. These social media buttons also can store and process certain information, so a personalized advertisement can be shown to you.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies. The data that is retrieved is anonymized as much as possible. Facebook and Instagram are located in the United States.
